

SSS 340 - Data Sheet

Industrial & Construction | Solid ||| 2 Years

Salient Features & Benefits

Built Tough for the Hardest Skid Steer Jobs

Deep, Stepped Block Tread for Superior Traction:

- High-void, self-cleaning tread blocks maintain consistent grip by ejecting debris, ensuring dependable off-road traction in waste, recycling, and construction environments

Optimized Aperture Design for Comfort & Cooling:

- Engineered sidewall apertures absorb shocks and disperse heat, delivering a smoother ride and reducing heat-related cracking during long, continuous operations

Severe-Duty Solid Rubber Construction:

- Premium solid compound resists cuts, chunking, and abrasion, offering longer tyre life and reliable performance in aggressive, high-impact work sites

Machineries

Skid Steer Loader

Standard: Us Standards
