

2021 TYRE CATALOGUE

ALL STEEL TRUCK & BUS RADIAL

- A Company Established in Year 1958
- No. 1 Tyre Manufacturer in China
- No. 10 of Top 75 Global Tyre Manufacturers in Year 2020
- Sale Revenue Reached USD3.585 Billion in Year 2019

Zhongce Rubber Group Co., Ltd. (ZC-RUBBER) takes great pride in producing tyres that rate among the best in the world. Our corporate philosophy is all about collaboration with our suppliers, with over 10,000s of companies who sell our products around the world, and with our millions of end customers who trust our tyres every single day.

Our engineers are working together closely with our international Research and Development (R&D) team combined of Japanese and Korean experts. We keep on investing millions of US dollars in establishing various production and testing facilities. Meanwhile the quality control system approved by global tyre manufacturers and

international vehicle manufacturers will guarantee the safety and quality of ZC-Rubber tyres.

Today ZC-Rubber is expanding from a Chinese oriented company to a global tyre manufacturer. The subsidiaries located in Southeast Asia, North America, South America and Europe are serving customers without any difference of time and language. The newly established Thailand plant will produce suitable products for local and nearby markets. Safe and value will be the key supplied by ZC-Rubber, who will craft a better future together with partners and friends all over the world.

Manufacturing Bases

PCR & LTR Plant in Xiasha

TBR Plant in Xiasha

Rubber Products Plant in Yonggu

Bias Tyre Plant in Xinjiang

DRIVE

TRAILER

L

- Long distance journey with constant speed, less braking and accelerating
- Less fuel consumption and comfortable ride
- High mileage performance

R

- Shorter journey with frequent braking, accelerating and turning
- Improved road grip with maximum mileage
- Exceptional tough type

M

- Used both on and off road
- Heavy loads and outstanding durability
- Special protection against the damage caused by the road condition

U

- Frequent speed changes and turning
- Resistance to curb impact
- Excellent road grip and durable high mileage

Long Haul

- Long distance journey with constant speed and less braking and accelerating
- Less fuel consumption and comfortable ride
- High mileage performance

- Premium five-rib tread provides outstanding handling for steer application
- Decoupling grooves prevent uneven tread wear and ensure long tread life for long distance travel
- Wide and deep tread guarantee longer mileage with affordable cost and remarkable value

- Wide and deep tread helps to promote even wear and long tread life resulting in low cost per mile
- Solid close shoulder ribs help to improve even wear
- Three deep grooves evacuate water efficiently for traction
- Strong casing resists cuts and punctures for enhanced toughness and long casing life

Made in Thailand available

Long Haul

- Wide base with high saturation for maximum mileage efficiency
- Optimised bead construction for better durability
- Scuff resistance ribs protect sidewall from curbing and cutting

 SmartWay®

- Cool-running compound construction reduces the energy generated within the tread for low rolling resistance
- Shallow tread depth promotes low rolling resistance for fuel economy and long even wear
- Four wide grooves provide all-season performance on wet and dry roads

 Made in Thailand available

Regional

- Shorter journey with frequent braking, accelerating and turning
- Improved road grip with maximum mileage
- Exceptional tough type

- Premium five-rib design for regional all position application
- SILICA compound ensures better tyre life with reduced rolling resistance
- Computer aided carcass design helps improve footprint for better mileage performance

● Made in Thailand available

- Multiple gripping edges slice through water and road films for a solid grip
- Four wide continuous rib design help resist tread squirm and heel-and-tow wear for exceptionally long tread life
- Three circumferential grooves help deliver all-season traction on wet or dry road
- Closed shoulder design helps promote even wear throughout the tyre life

● Made in Thailand available

- Wide and deep tread enhance driving stability and mileage on all kinds of roads
- Special tread compound and carcass help to guarantee long tire life and better retreadability
- Zig-zag main grooves provide superb traction level

- This tyre delivers outstanding traction, long even wear and advanced casing design to ensure durability
- An extra wide, self cleaning and full depth tread design provides improved water evacuation, lateral stability
- A strong shoulder block ensures a flat even wear on all types of application with shallow lug grooves on shoulder to minimize shoulder heel and toe
- Stone ejection groove design provides a more durable casing life for retreadability by minimizing damage to the casing

- 3 circumferential grooves ensures good directional stability, even wear and smooth ride
- Heavy siping provides good braking stability and high lateral traction on wet and dry surface
- Improved tread compound helps resist tears and ensure good mileage in on and off road use
- Sidewall reinforcing ribs protects against impacts and scuffing

Mixed Service On & Off

- 3 circumferential grooves ensures good directional stability, even wear and smooth ride
- Heavy siping provides good braking stability and high lateral traction on wet and dry surface
- Improved tread compound helps resist tears and ensure good mileage in on and off road use
- Sidewall reinforcing ribs protects against impacts and scuffing

NEW

- Increased tread width and depth promise longer mileage
- Stone rejection design reduces stone retention and maximize the casing durability
- Zig-zag rib groove ensure super traction on wet, dry and snow roads
- Scuff protection on sidewalls enhances resistance to lateral impacts and abrasion

ZHONGGE RUBBER GROUP CO., LTD.

ALL STEEL TRUCK & BUS RADIAL TYRES

Mixed Service Mining

- Aggressive lug design with large blocks at tread center provides excellent traction and braking on rough roads with mud or gravel and is self-cleaning for ease of maintenance
- Applicable in mining, logging, construction or rock and quarry operations with some very short on high-way use possible
- Special tread compounds resist chipping and chunking in rugged off-road conditions

● Made in Thailand available

- Special tread compounds resist chipping and chunking in rugged off-road conditions
- Robust tread block help promote traction and floatation capacity on rough roads
- Applicable for low speed mining service

Urban

- Frequent speed changes and turning
- Resistance to curb impact
- Excellent road grip and durable high mileage

U

Urban

- Four rib tread pattern provides uniform wear and excellent traction on wet and dry road.
- Deep and wide tread enhances mileage for exceptionally long tyre life
- Reinforced shoulder and steel sidewall help deliver long casing life and retreadability
- Sidewall protector ribs help resist sidewall damage from turning, backing and braking when used in urban neighborhoods.
- Cool-running compound delivers low rolling resistance meaning more fuel efficiency

- Excellent sidewall protection minimises scuff damage from turning and braking
- Extra deep tread for long tyre life and high pattern volume
- The zig-zag rib provide outstanding traction on city bus application
